ABOUT

I'm Manon Miot, Graphic Designer / Illustrator

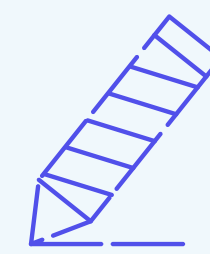

I love working with clients to understand their needs and create something that perfectly represents them. In my free time, I like to experiment with new techniques and am always looking for new creative ideas. I hope to have the opportunity to work with you soon !

SKILLS

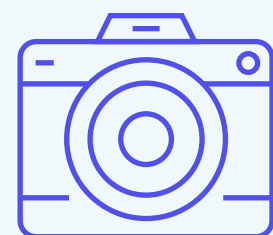

GRAPHIC DESIGN

"I'm used to working in graphic design and using software like **InDesign, Illustrator, and Photoshop** to create my **print** and **web** content.

ILLUSTRATION

I always have a pen in my hand! I love drawing nude models or creating characters. I use **Procreate** to develop my potential, but I still have a **sketchbook** for the basics.

PHOTOGRAPHY

When I cover events, I like to hide in the crowd with my camera, capture some moments, and come back home to give some vibrancy to the pictures with **Lightroom**. If I have the opportunity to take some videos, I enjoy playing with **Premiere Pro** and creating dynamic videos with some **After Effects** animations.

MANUAL CREATION

I love trying new things ! **Pottery, hand-made jewelry, sculpture**. Sometimes I need to step away from the screens and touch materials.
